

M000001 - 2014-06-25 - Map to access CECOD HQ in Paris La Defense - rev 1

Dear Colleague

We are planning to have a meeting in Maison de la Mécanique, HQ of CECOD in Paris la Defense (Courbevoie)

Courbevoie is west of Paris, just after the Seine River, and next to La Défense business center of Paris (main HQ for major companies).

Closest Hotel to Maison de la Mécanique is 10mn walk: IBIS Paris la Défense: <http://www.ibishotel.com/gb/hotel-0771-ibis-paris-la-defense-centre/index.shtml>

The IBIS hotel (link above) might only provide breakfast (to be checked).... But many restaurants are just 10mn walk from there, walking across the Seine River towards Paris.

Esplanade de la Defense is on the left side of the Paris Metro map (http://www.ratp.fr/fr/ratp/c_23590/plans-metro/), metro line 1 yellow.
La DEFENSE (RER stop) is just around 600 m to the west

Here is a map on how to get there
Any question, please do not hesitate.
